LET'S LOOK AT THE SUMMER CONSTELLATIONS!

HELLO! THIS IS SOUEI HIGH SCHOOL'S ASTRONOMY CLUB. TODAY WE WILL INTRODUCE THE SUMMER CONSTELLATIONS. ★

AS THE FAINT SPRING SKY SINKS INTO THE EAST,
THE SUMMER CONSTELLATIONS GATHER
SUMMER ALSO MEANS THE SUMMER BREAK, WHICH ALSO MEANS, YOU MIGHT BE ABLE TO STAY UP LATE!
SPENDING THE NIGHT OUT ON YOUR VACATION MIGHT BE GREAT
LOOK UP THE SUMMER CONSTELLATIONS
AS YOU TRACE THE MILKY WAY.

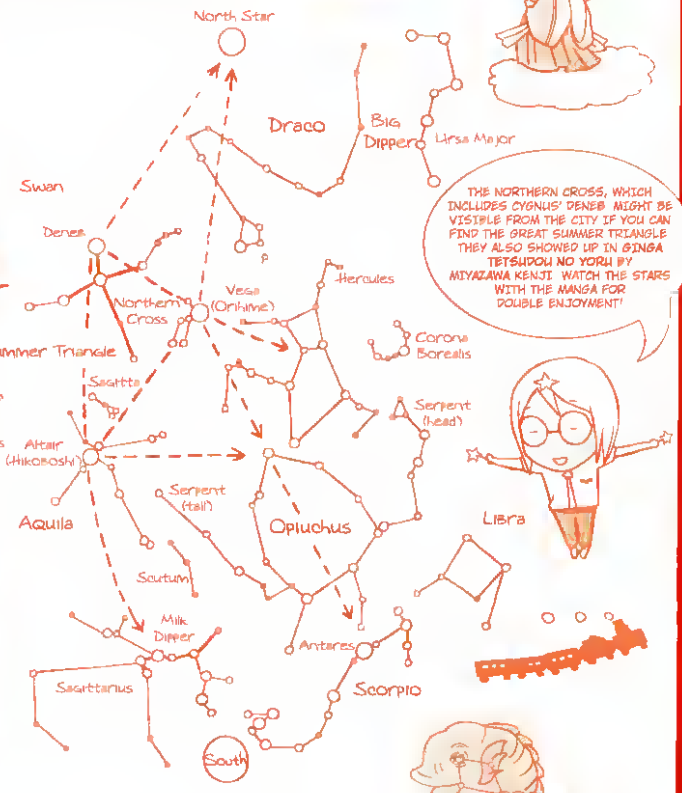
Afternoon KC Kodansha

SUMMER MEANS THE MILKY WAY?! PREPARE YOUR INSECT REPELLENTS AND OUT WE GO!
AWAY FROM THE BRIGHTLY LIT CITIES, FAINT LITTLE LIGHTS ARE WAITING.
MOTHS OF THE EAST AND THE WEST ALSO AWAIT YOU IN THE SKY

FIRST OFF, TRY TO FIND THE GREAT SUMMER TRIANGLE.
IT'S THE STARGAZING LANDMARK FOR SUMMER, AND IS MADE UP OF THREE ALPHA STARS
–LYRA'S VEGA, AQUILA'S ALTAIR, AND CYGNUS' DENEB.
SEEING THEM SHINING IN THE SKY, ANYONE WILL KNOW THAT SUMMER HAS ARRIVED!

VEGA AND ALTAIR ARE ALSO KNOWN AS ORIHIME AND HIKOBOSHI RESPECTIVELY.
JUST AS THE LEGEND SAYS, THE MILKY WAY FLOWS BETWEEN THEM.
AS YOU GO DOWN SOUTH, THE MILKY WAY, YOU'LL SEE THE CLOUD THICKEN AND THAT'S
WHERE YOU'LL BE ABLE TO SEE SAGITTARIUS, SCORPIO AND SOME OTHERS.

SAGITTARIUS AND SCORPIO APPEAR CLOSER TO THE HORIZON, SO IT'S BEST TO OBSERVE
THEM FROM A PLACE WHERE THE SOUTHERN SKY IS CLEAR.
SCORPIO IS QUITE POPULAR, SO YOU WON'T REGRET LOOKING FOR IT!



THE NORTHERN CROSS, WHICH INCLUDES CYGNUS' DENEB, MIGHT BE VISIBLE FROM THE CITY IF YOU CAN FIND THE GREAT SUMMER TRIANGLE. THEY ALSO SHOWED UP IN GINGA TETSUDOU NO YORU BY MIYAZAWA KENJI. WATCH THE STARS WITH THE MANGA FOR DOUBLE ENJOYMENT!

IF YOU'RE LUCKY TO VIEW THE SKY FROM A SUBURBAN AREA, TRY TO FIND THE DOLPHIN CONSTELLATION (DELPHINUS). THE NAME SOUNDS CUTE. BUT IF YOU EVER GET THE CHANCE TO LOOK AT AN ANCIENT CONSTELLATION CHART, YOU'LL FIND THE DEPICTION RATHER GROTESQUE. PERHAPS THEY DIDN'T KNOW WHAT A REAL DOPHIN LOOKED LIKE BACK THEN. THE CONSTELLATION ITSELF IS PRETTY SMALL, AND JUST AS CUTE AS THE DOLPHINS WE KNOW. LOOK FOR THE STARS NEAR ALTAIR.

WELL THEN, WE'LL MEET NEXT TIME. IT WILL BE THE

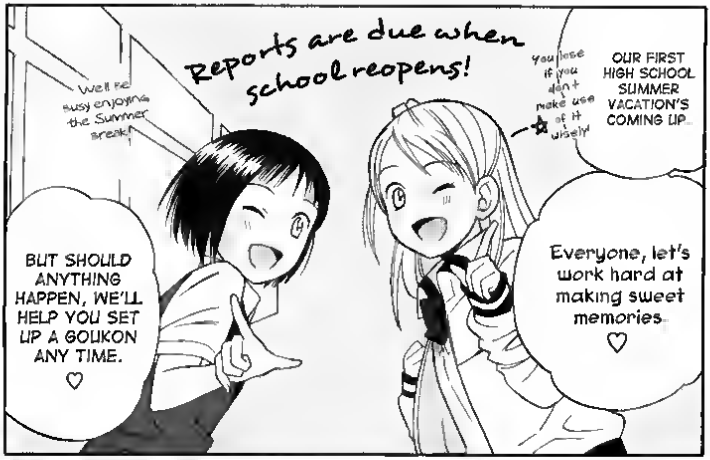
Hah!
She's always, always touching and clinging to Ooyagi-kun. It makes me jeal— No!
It's troubling the class!!
What's up with that old hag sempai?!
Shee~~sh!
HAAH—
HAAH—
HAAH—
IT'S GOOD THAT YOU HAVEN'T LOST YOUR COMPETITIVE SPIRIT DESPITE ALL THE NICE(?) TREATMENT BY SEMPAI
LOOKS LIKE HIME'S WORKING HARD
And I haven't got a clue of what she's thinking!
In the classroom, at the club
OLD HAGS SHOULD JUST RETURN TO THE LAND OF OLD HAGS!
Keep clean
THOSE TWO AREN'T GOING OUT
WELL...

RIGHT, RIGHT. IF YOU DIDN'T THINK THAT WAY, YOU WOULDN'T HAVE BEEN ABLE TO CARRY ON WITH YOUR ONE-SIDED LOVE
BUT IT'S THE TRUTH!
WHAT?!
Makes you feel like you can't ignore him
SPEAKING OF WHICH, HAVING AN 'OLDER GIRLFRIEND' SORT OF GIVES OOYAGI-KUN SOME SORT OF A STATUS, DON'T YOU THINK?
RIGHT~ THAT'S SO TRUE~
Things like what they do when they're alone
I'M SORRY HIME, BUT IT WOULD BE DELICIOUS IF THOSE TWO GO OUT
Mayu?! Emiri?!
NO!!
Emiri
INDEED SOME~~HOW... IT MAKES ONE'S IMAGI-NATIONS RUN WILD
HIS FANGIRLS LIKE HIM ALONG WITH THE FACT THAT HE HAS A GIRLFRIEND
Mayu
perk
turn
Ju~~st kidding ☆
Aha ha ha
WE AREN'T~
How cute.
WE'RE ON YOUR SIDE, HIME ♡
LIES! YOU'RE DEFINITELY MAKING FUN OF ME!!



Reports are due when school reopens!
We'll be busy enjoying the Summer break!
You lose if you don't make use of it wisely!
OUR FIRST HIGH SCHOOL SUMMER VACATION'S COMING UP...
Everyone, let's work hard at making sweet memories ♡
BUT SHOULD ANYTHING HAPPEN, WE'LL HELP YOU SET UP A GOUKON ANY TIME. ♡

It's almost summer!

WHA—

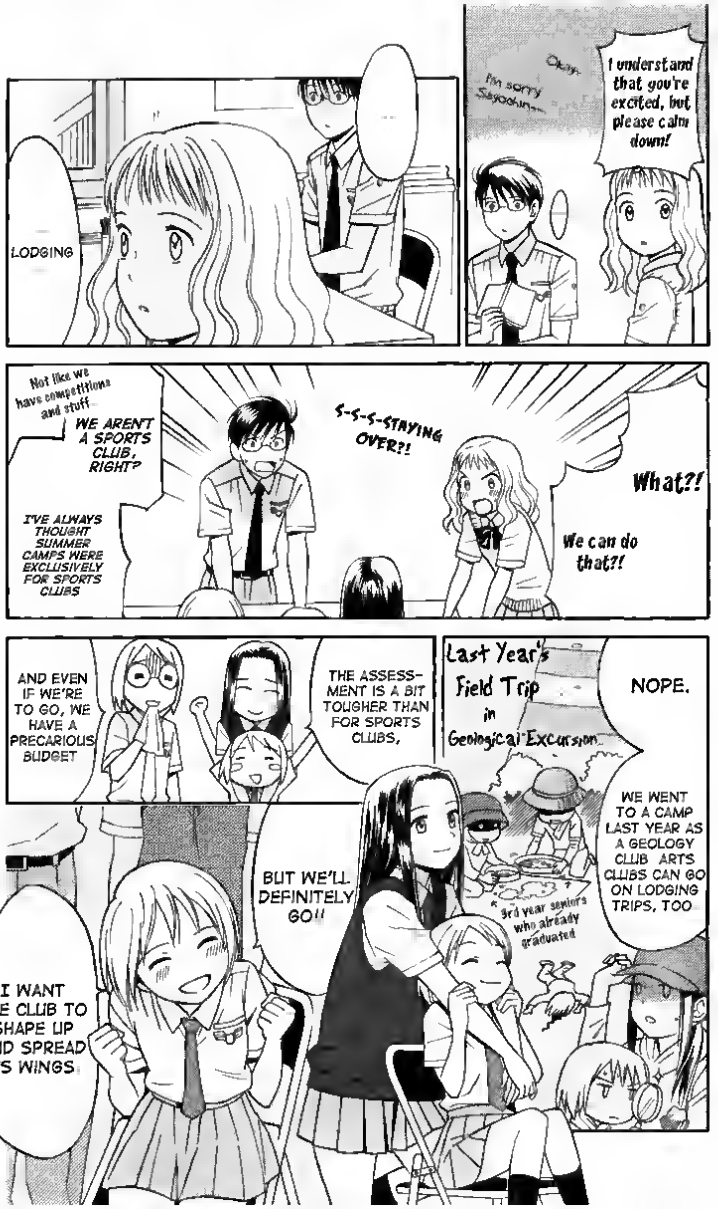
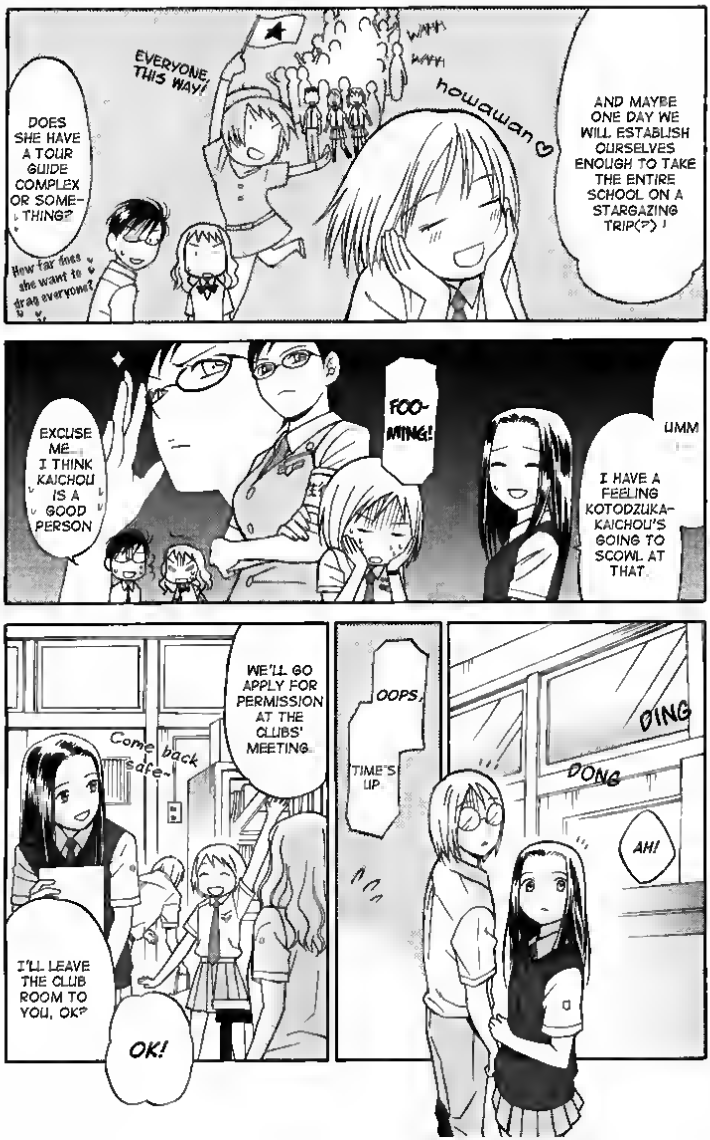
IT'S FIRST EVER SUMMER CAMP!
WOW!

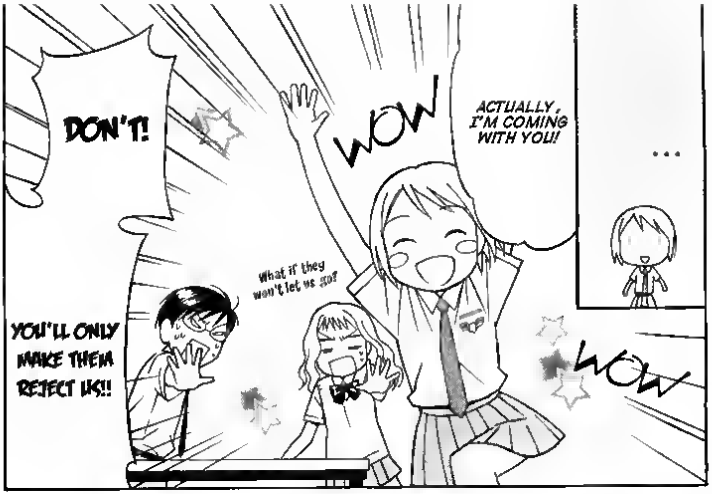
☆
THE TIME HAS FINALLY COME!
SUMMER MEANS STARS! AND STARS MEAN ALL-NIGHTERS!
AND ALL-NIGHTERS MEAN LODGING OUTSIDE OF SCHOOL!
THE PERSEIDS THE PLEAIDES STAR CLUSTER AND THE ECLIPSE
IT'S ALSO A GOOD TIME TO SEE THE FOUR MAJOR SATELLITES OF JUPITER
WE'LL HAVE A LINE-UP OF ASTRONOMICAL PHOTOGRAPHS AGAIN THIS SUMMER
☆
GLOMP!
I CAN'T WAIT!
Kya!
We have to beware of the moonlight when looking for the Perseids this year!



I understand that you're excited, but please calm down!
Okay.
I'm sorry Sayoshima-
LODGING
What??
S-S-S-STAYING OVER?!
We can do that?!
Not like we have competitions and stuff
WE AREN'T A SPORTS CLUB, RIGHT?
I'VE ALWAYS THOUGHT SUMMER CAMPS WERE EXCLUSIVELY FOR SPORTS CLUBS
NOPE.
Last Year's Field Trip in Geological Excursion
WE WENT TO A CAMP LAST YEAR AS A GEOLOGY CLUB ARTS CLUBS CAN GO ON LODGING TRIPS, TOO
3rd year seniors who already graduated
THE ASSESSMENT IS A BIT TOUGHER THAN FOR SPORTS CLUBS,
AND EVEN IF WE'RE TO GO, WE HAVE A PRECARIOUS BUDGET
BUT WE'LL DEFINITELY GO!!
I WANT THE CLUB TO SHAPE UP AND SPREAD ITS WINGS



AND MAYBE ONE DAY WE WILL ESTABLISH OURSELVES ENOUGH TO TAKE THE ENTIRE SCHOOL ON A STARGAZING TRIP(?)!
howawan
WAHH
WAHH
EVERYONE, THIS WAY!
DOES SHE HAVE A TOUR GUIDE COMPLEX OR SOMETHING?
How far does she want to drag everyone?
UMM
I HAVE A FEELING KOTODZUKA-KAICHOU'S GOING TO SCOWL AT THAT.
FOO-MING!
EXCUSE ME... I THINK KAICHOU IS A GOOD PERSON
DING
DONG
AH!
OOPS.
TIME'S UP.
WE'LL GO APPLY FOR PERMISSION AT THE CLUBS' MEETING.
Come back safe~
I'LL LEAVE THE CLUB ROOM TO YOU, OK?
OK!



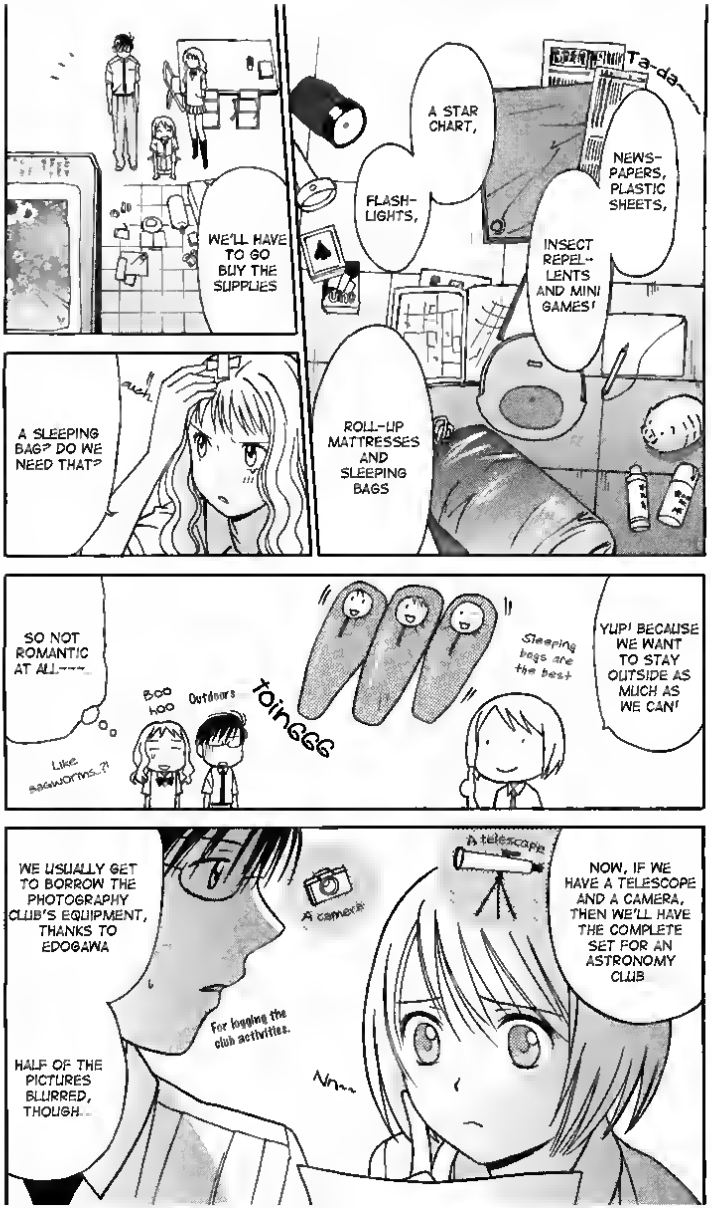
DON'T!
WOW
ACTUALLY, I'M COMING WITH YOU!!
...
What if they won't let us go?
YOU'LL ONLY MAKE THEM REJECT US!!
WOW

SULK
...

...
Nyuu
WILL THEY REALLY BE FINE WITHOUT ME TAGGING ALONG?
SAKU-CHAN,
bluntly
AT LEAST IT GIVES ME BETTER PEACE OF MIND THAN KNOWING YOU TAGGED ALONG
REALLY?
Is that so?

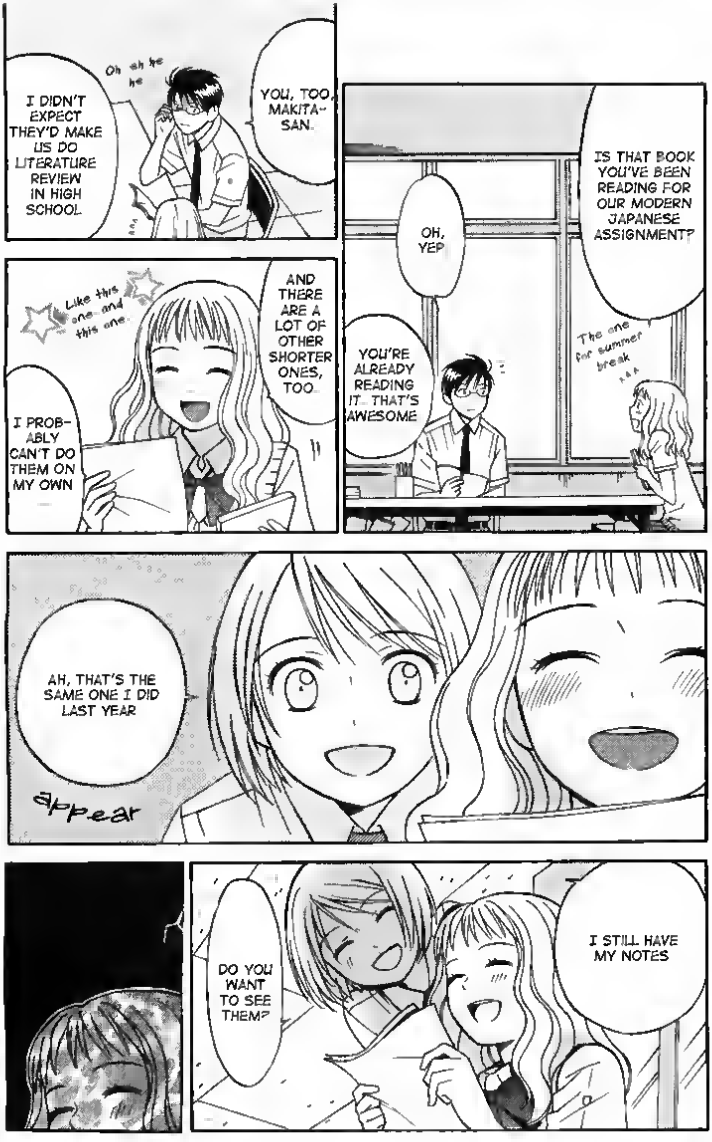
A LODGING TRIP
...
Kokoro
Peek
I DON'T REALLY GET IT, BUT...
THIS MUST BE A CHANCE, RIGHT?
BUT WHERE WOULD AN ASTRONOMY CLUB GO FOR TRIPS? THE SEA? THE MOUNTAINS?
Take that Mayu! Emi!
I WAS WORRIED THAT I HAD TO WORK REALLY HARD TO BE ABLE TO SEE HIM DURING THE SUMMER BREAK,
BUT NOW IT SEEMS I'M WAY BEYOND THAT STAGE
BUT IF WE GO ON A LODGING TRIP
Whoosh
IT SEEMS ONLY YESTERDAY I JOINED THE ASTRONOMY CLUB, BUT IT'S ALREADY CLOSE TO SUMMER BREAK
NORMALLY I DON'T HAVE A CHANCE TO BE ALONE WITH HIM,
The Third Wheel!

SLAM
Hime-chan, watch out!!
I'M SORRY~~!
That was dangerous!
I just couldn't sit around doing nothing—
Sheesh!
YOU SHOULD'VE ASKED FOR HELP!
?!
?!
?!
BUT, LOOK!
step down
LODGING GEAR!!
Lodging gear and stuff
ughhh
HIME-CHAN, I'M SORRY!!
I didn't catch it in time!!
WHA— WHAT ARE YOU DOING?!

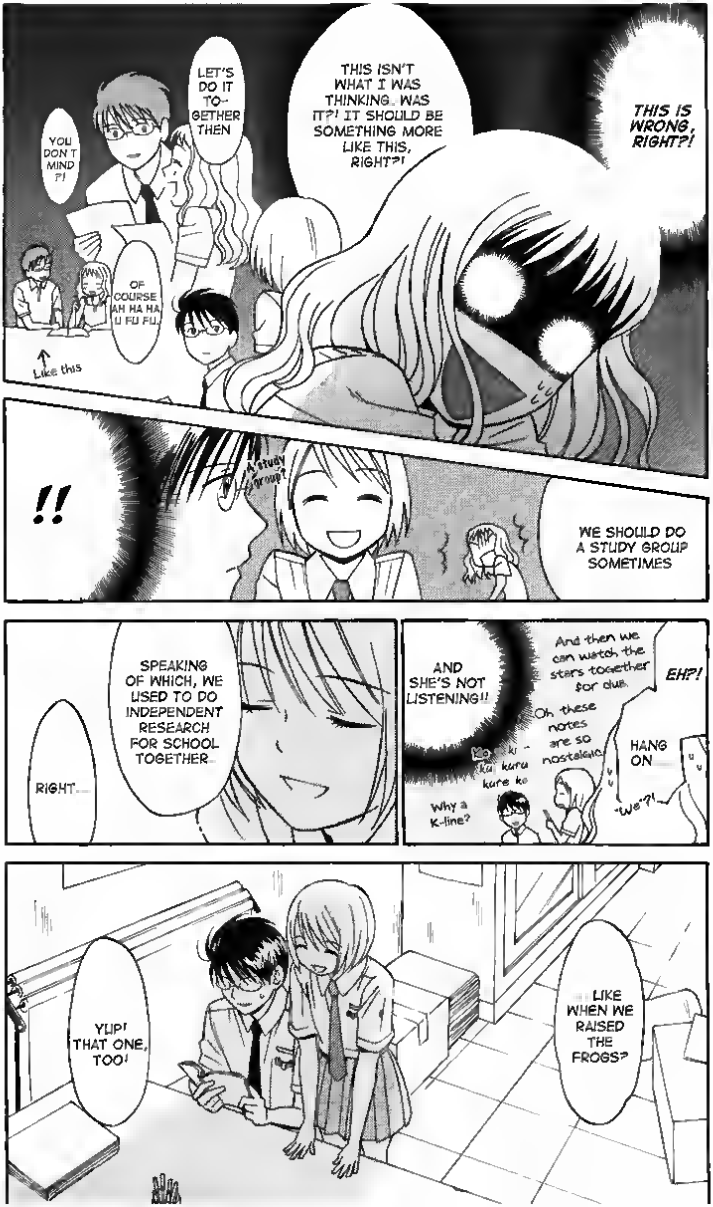


WE'LL HAVE TO GO BUY THE SUPPLIES
A STAR CHART,
FLASH-LIGHTS,
Ta-da~~
NEWS-PAPERS, PLASTIC SHEETS,
INSECT REPEL-LENTS AND MINI GAMES!
ROLL-UP MATTRESSES AND SLEEPING BAGS
Ouch
A SLEEPING BAG? DO WE NEED THAT?
SO NOT ROMANTIC AT ALL~~~
Like sagworms...?
Boo hoo
Outdoors
Toinggg
Sleeping bags are the best
YUP! BECAUSE WE WANT TO STAY OUTSIDE AS MUCH AS WE CAN!
WE USUALLY GET TO BORROW THE PHOTOGRAPHY CLUB'S EQUIPMENT, THANKS TO EDOGAWA
A camera
A telescope
NOW, IF WE HAVE A TELESCOPE AND A CAMERA, THEN WE'LL HAVE THE COMPLETE SET FOR AN ASTRONOMY CLUB
For logging the club activities.
Nhm...
HALF OF THE PICTURES BLURRED, THOUGH...

SAYOCHIN AND I HAD PUT TOO MUCH EMPHASIS ON WATCHING, SO WE'RE NOT TOO SURE ABOUT PHOTOGRAPHY...
IF IT'S JUST SIMPLE ONES, WE CAN DO IT, TOO
but there are quite a lot of amateur photographs in astronomy magazines, too
flip
flip
HUH? IS THAT POSSIBLE?
IT WOULD BE NICE IF WE CAN TAKE THE PICTURES OURSELVES DURING THE TRIP! PICTURES OF THE STARS!!
Let's talk about something else already!
I THOUGHT ONE NEEDS PROFESSIONAL EQUIPMENTS FOR THAT...
WOW
It looks amazing, doesn't it?
Look at this one
YOU MUST FIGHT, HIME!
DON'T LET AN OLD HAG LEAD YOU ASTRAY!!
Yeah!
Yeah!
I'M GETTING DRAGGED ALONG WITH HER PACE!
WAIT!
O-OOYAGI-KUN...



I DIDN'T EXPECT THEY'D MAKE US DO LITERATURE REVIEW IN HIGH SCHOOL
Oh ah he he
YOU, TOO, MAKITA-SAN.
IS THAT BOOK YOU'VE BEEN READING FOR OUR MODERN JAPANESE ASSIGNMENT?
OH, YEP.
The one for summer break
YOU'RE ALREADY READING IT. THAT'S AWESOME
AND THERE ARE A LOT OF OTHER SHORTER ONES, TOO.
Like this one and this one.
I PROB-ABLY CAN'T DO THEM ON MY OWN
AH, THAT'S THE SAME ONE I DID LAST YEAR
appear
I STILL HAVE MY NOTES
DO YOU WANT TO SEE THEM?



THIS IS WRONG, RIGHT?!
THIS ISN'T WHAT I WAS THINKING... WAS IT?! IT SHOULD BE SOMETHING MORE LIKE THIS, RIGHT?!
LET'S DO IT TO-GETHER THEN
YOU DON'T MIND ?!
OF COURSE AH HA HA U FU FU
Like this
!!
A study group?
WE SHOULD DO A STUDY GROUP SOMETIMES
SPEAKING OF WHICH, WE USED TO DO INDEPENDENT RESEARCH FOR SCHOOL TOGETHER...
RIGHT...
AND SHE'S NOT LISTENING!!
And then we can watch the stars together for due.
Oh these notes are so nostalgic
Ku - kuru kuru ku
Why a K-line?
EH?!
HANG ON...
"We"?!
YUP! THAT ONE, TOO!
...LIKE WHEN WE RAISED THE FROGS?

WE HAD SUCH JOYFUL DAYS
No way! Don't make me remember them!
Let's catch some more of them!
Ah but we're together again this year
NO, THEY'RE NOT CUTE!
BUT WHY-? THEY'RE CUTE-
BLERGH
Scary grasshoppers scary grasshoppers

Please cut it out!

You're always clinging to him... all the time...

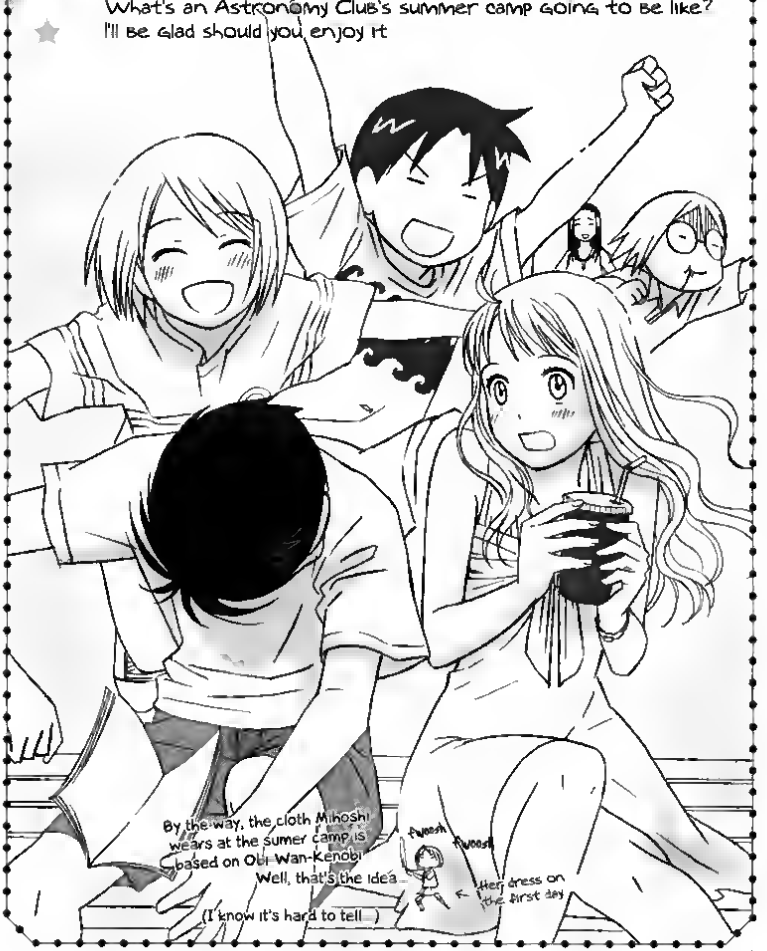
It's summer! Hence it will be the summer camp arc in the next chapter.
What's an Astronomy Club's summer camp going to be like?
I'll be glad should you enjoy it.



By the way, the cloth Minoshi wears at the sumer camp is based on Obi-Wan-Kenobi.
Well, that's the idea.

Mihoshi
美星

Her height is about 150cm.

Has light colored hair

When it comes to stars, our chibikko heroine just can't stay still

Not that she has any ill intentions. She actually wants to make others happy, but it seems like her good intentions aren't getting through. (LOL)

Back in my student days, I used to think that having someone like her around would be exhausting, but also fun at the same time. That was because, at that age, I had started to unconsciously restrain myself whenever I thought of doing something fun.

Well, come to think of it, even those times that I thought wasn't really fun were actually quite fun. (LOL)

She's seen good friends with Sayo. More of their episodes to come.

Their memories of a crash course ♡
Your panty is showing
Hey! Mihoshi! Stop running around when you're wearing skirts
O-kay... Sayochin, I'm sorry...
She's serious!
Listen. When you wear a skirt you must become a cheetah!
A cheetah?!
Girls can run without flapping around too!
Really?! Mino-san said that?!
That's what Mino-san said.
Yup! Cheetahs are good at balancing so their heads don't go flapping around when they run.
-that's what Miyo-chan said.
Oooooh!
Yay!!
Now, let's get training!!
I overdid it

WHY MIICHAN ALWAYS LOOKS SO JOYFUL
WE ALREADY CAME ALL THE WAY OUT HERE FOR SUMMER CAMP...

UMM I'M SORRY... FOR SAYING THOSE WEIRD THINGS THE OTHER DAY

Actually, I was engulfed by my fear of frogs so I don't really remember what you said back then, Makita-san
WOO?!

LOOKING AT HER SOMEHOW I FEEL MORE RELAXED.
ANYWAY, WE'VE COME THIS FAR LET'S JUST ENJOY THIS
IT'S LIKE SHE'S SAYING, "I'LL SHOW YOU SOME-THING NICE AGAIN TODAY IT'LL BE FUN".

WHEN I RECALL THOSE MEMORIES, I FEEL...
BUT DEEP INSIDE I WAS ACTUALLY EXCITED...
Well, some-times I really did hate it.
AND ME, I KEPT TELLING HER I HATED IT.
UH... I DON'T KNOW HOW TO PUT IT.
IT'S OK.
...
JUST LIKE ACCOMPLICES RUNNING THROUGH THE NIGHTS

THEN ... TONIGHT, EVERYONE IS AN ACCOMPLICE?
UNDER THE COVER OF THE DARKNESS, THEY SHARE THE JEWELS OF THE SKY.

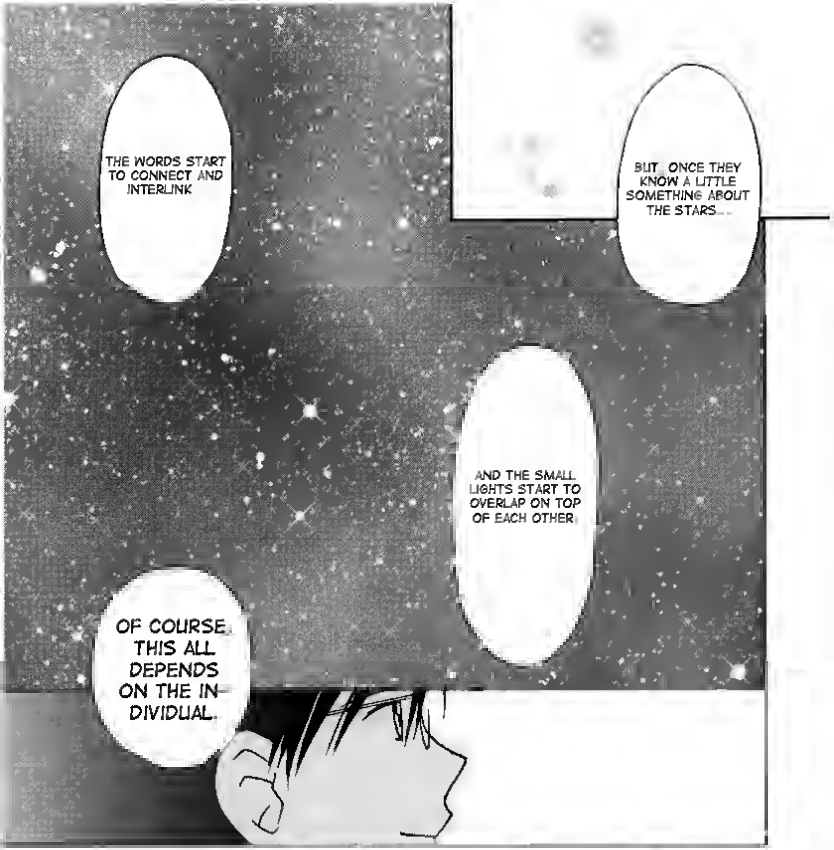
WITH THE WORDS AND TALES INSIDE OF THEM
THEY'RE ANSWERING EACH OTHER'S QUESTIONS
MOST OF THE CONSTELLATIONS START OFF WITH LEGENDS... AND THE NAMES GET APPLIED LATER ON
THAT'S WHY, EVEN IF THERE ARE ONES THEY KNOW, THERE ARE MANY THAT ARE NOT KNOWN.



THE WORDS START TO CONNECT AND INTERLINK
BUT ONCE THEY KNOW A LITTLE SOMETHING ABOUT THE STARS...
AND THE SMALL LIGHTS START TO OVERLAP ON TOP OF EACH OTHER.
OF COURSE, THIS ALL DEPENDS ON THE INDIVIDUAL.

It's like words are rushing through in my head

Chapter 11 The Star of Words' End

Fooming

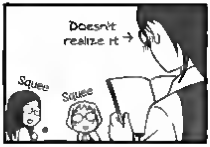
This is our Queen Mother Fooming the Student Council President
I thought this was going to raise the ratio of bespectacled characters but then again Literature Club means glasses so there. For the same reason Lit Club's 4-ko and 8-ko are wearing them too

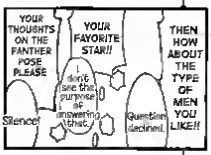
The initial plan was to make her a hidden beauty type of character but a friend who came to help me with the manuscript of the first chapter pointed out that they are huge! and kept pestering me to paste more and more screen tones on them
And thats how she ended up on the superhighway of glamour
As for Fooming herself she doesn't seem the least bit bothered by them

As the mangaka this is a character whose waist I enjoy drawing

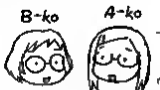
Her hair is not stiff
It's actually very fine
and smooth

Has very bad eye sight





YOUR THOUGHTS ON THE FANTHER POSE PLEASE
YOUR FAVORITE STAR!!
I don't see the purpose in answering either.
THEN HOW ABOUT THE TYPE OF MEN YOU LIKE!!
Silence!
Question declined.



The readers still don't know our real names.

On photography...

Most people who are interested in astronomy would have had taken some sort of astral body photographs or at least would have the intention to do so.
In the story we've put aside matters concerning right dews and introduced the most basic technique that uses a tripod, a camera and a release.
It is actually possible to photograph using this simple method.
The most important thing to remember is to make sure the camera doesn't move.
You can use the regular films you would normally use.
P/N!! Although no one uses film anymore these same techniques work just fine with digital cameras as well.

ISO (the film's sensitivity to light)

You can start with ISOs between 400 to 800.
The people in the photo shops might be able give you some explanation if you ask them.
P/N!! If you can find one that's still in business...

The photos become precious when you take them yourself... even if they didn't turn out well... (LOL)

Starting off you might find it more helpful to take photos that include some of the scenery from the surrounding area.
Try taking some photos at dusk!

Night can be surprisingly colorful!

It's the same if you're using a compact digital camera.

By the way when you're sending the picture for developing the photo shop people might think they're corrupted if you don't tell them beforehand that you've taken pictures of the stars.
So don't forget to tell them in advance!
Maybe the best is to send them to "The Town's Photo Shop"; but I guess there aren't many such places left these days...

Yep!

And maybe something like this during the day?

SAKU

NOPE THESE ARE ALL STARS

EH? WHAT IS THIS? BLURRED?

THEN .. WHAT IS THIS LINE IN HERE?

IT'S A PICTURE OF MOUNTAINS

Daily movement

In the northern hemisphere, the stars appear to circulate around the north celestial pole.

Zenith

North celestial pole

East

North

South

West

The stars move by 15 degrees every hour.

They saw more of the southern sky during the night.

HMM

THAT'S BECAUSE THEY MOVED

THE LONGER THE DURATION OF EXPOSURE, THE LONGER THE LINES YOU SEE IN THE PICTURE

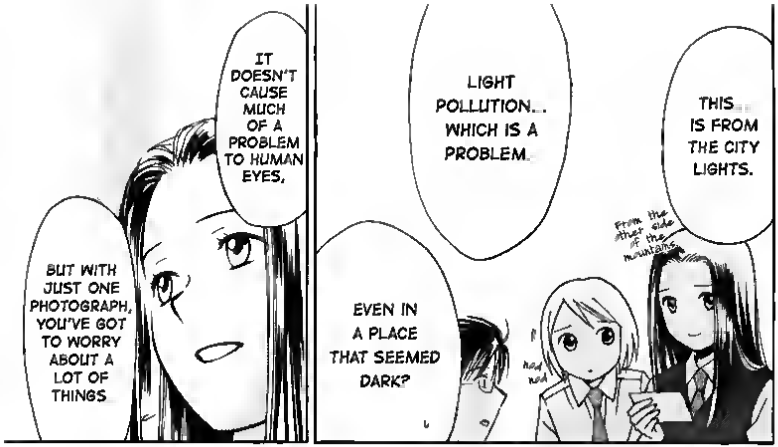
Some advice when you send your films to the photo shop.

You can send them to regular photo shops to get the films developed, but remember to tell them that they're pictures of stars.

Also, the pictures can dim out if you don't develop the films quickly.

Don't expect much from the first round of prints, but you can start adjusting from the second ones onward.

Then it's time to SHOW!!



IT DOESN'T CAUSE MUCH OF A PROBLEM TO HUMAN EYES,

FIRST AND FOREMOST, I WANT YOU TO KNOW THAT THIS IS NOT COMPULSORY...
UM...
OVER AT THE LITERATURE CLUB – EVERY YEAR, WE COMPILE THE ARTICLES AND ESSAYS WRITTEN OVER THE SUMMER CAMP INTO A MAGAZINE AND WE PUBLISH IT FOR THE CULTURAL FESTIVAL
IT'S JUST THAT, THIS YEAR, SOME OF THE MEMBERS HAVE SUBMITTED WORKS WRITTEN AFTER THE JOINT ACTIVITY WITH THE ASTRONOMY CLUB. SO, THE DISPOSITION IS A BIT DIFFERENT FROM THE PREVIOUS YEARS.

IF YOU DON'T MIND, PERHAPS YOU MIGHT WANT TO HELP?
OF COURSE THIS IS NOT COMPULSORY
AND I KNOW YOU HAVE OTHER PRIORITIES
YOU CAN GIVE ME YOUR ANSWER LATER,
BUT... COULD YOU PLEASE CONSIDER IT?
AH, OK.
YES!

THIS IS KIND OF AWESOME IT'S TOTALLY DIFFERENT FROM THE ASTRONOMY CLUB.
Where would you like to sit?
The notebook PCs are our own
Heya!
FROM EDITING TO THE LAYOUT, WE HAVE TO DO EVERYTHING OURSELVES
OUR LITERATURE CLUB IS ACTUALLY PRETTY FAMOUS AROUND HERE.
WE NOT ONLY SELL THE MAGAZINE FOR THE CULTURAL FESTIVAL,
WE ALSO HAVE RECITATION SESSIONS WITH WRITERS AND THE LIKE
WE ALSO USUALLY RANK PRETTY HIGH IN THE PRESENTATION CONTEST
We're all rivals!

FIRST, THE TITLE! WE THOUGHT OF USING THE NAME OF A STAR. WHAT WOULD BE NICE?
Kyai
Kyai
OH, THAT. WE ENDED UP DECIDING TO PUBLISH TWO VOLUMES, SO WE WANT YOU TO HELP WITH THIS ONE ☆
SO... WHAT SHOULD I HELP YOU WITH?
IT MEANS THE FALLING EAGLE, BUT IT'S ALSO A FEMALE NAME, SO I THINK IT GIVES OFF A NICE EUPHONY
It isn't actually "falling" but it refers to the bird gliding towards its prey.
SO, HOW ABOUT VEGA? SPELL IT USING THE ROMAN ALPHABET, "V E G A" ?
WE WATCHED THE SUMMER STARS TOGETHER
DRAW DRAW DRAW

So VEGA it is! OK!!
KEEP UP THE GOOD WORK

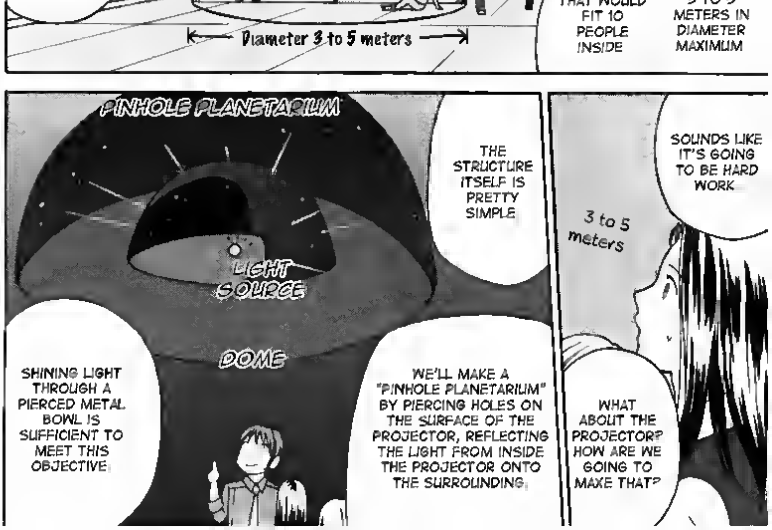
YOU'RE THE ONLY FIRST YEAR WE HAVE
NOW, MAKITA, I UNDERSTAND HOW YOU FEEL, BUT PLEASE DO YOUR BEST...
ARE WE GOING TO USE THE ENTIRE CLASS??
SOU-NII! WHAT ABOUT THE DOME? ARE WE BUILDING IT OVER HERE?!
WE CAN USE AN INFLATABLE AIR DOME, OR WE CAN BUILD A FRAME AND COVER IT WITH PAPER OR CLOTH. WE'LL DECIDE THAT TOGETHER
Or on the chairs...
~3 m
They can sit on the floor
Diameter 3 to 5 meters
THAT WOULD FIT 10 PEOPLE INSIDE
THE CLASSROOM IS 3 METERS HIGH, SO WE CAN BUILD ONE THAT'S ABOUT 3 TO 5 METERS IN DIAMETER MAXIMUM



PINHOLE PLANETARIUM
LIGHT SOURCE
DOME
SHINING LIGHT THROUGH A PIERCED METAL BOWL IS SUFFICIENT TO MEET THIS OBJECTIVE.
WE'LL MAKE A "PINHOLE PLANETARIUM" BY PIERCING HOLES ON THE SURFACE OF THE PROJECTOR, REFLECTING THE LIGHT FROM INSIDE THE PROJECTOR ONTO THE SURROUNDING.
THE STRUCTURE ITSELF IS PRETTY SIMPLE.
WHAT ABOUT THE PROJECTOR? HOW ARE WE GOING TO MAKE THAT?
3 to 5 meters
SOUNDS LIKE IT'S GOING TO BE HARD WORK...

THE LAKE THE ASTRONOMY CLUB VISITED ON THEIR SUMMER CAMP WAS BASED ON A CERTAIN LAKE I VISITED WITH MY FRIEND IN UNIVERSITY

MANY THANKS TO MR. T AND HIS FAMILY

Some random notes

from your translator and the otaku hordes at DRAT

What is an Akabeko?

IN THE TOUHOKU DIALECT, BEKO MEANS COW. AKA SIMPLY MEANS RED.
AKABEKO IS A TOY TRADITIONALLY ASSOCIATED WITH THE FUKUSHIMA PREFECTURE, SPECIFICALLY THE AIZU REGION OF THE PREFECTURE.
SO NOW WE CAN GUESS THE SOUEI ASTRONOMY CLUB PROBABLY VISITED ONE OF THE LAKES IN AIZU. :D

Sayo-chin: I like the crystalline schists!!

Sayo-chin: And gneiss too!!!

SCHISTS AND GNEISS ARE TWO KINDS OF METAMORPHIC ROCKS, THAT MEANS THAT THEY TRANSFORM FROM ONE STATE TO ANOTHER.

Nenashigusa

NENASHIGUSA LITERALLY MEANS DUCKWEED, BUT COULD ALSO REFER TO A ROOTLESS PERSON

p175

Edogawa ...imagery training...

THERE'S A CONCEPT WHERE YOU IMAGINE YOU ARE STEPPING THROUGH A PROCESS, AND THE EXERCISING OF YOUR MIND SUPPOSEDLY LETS YOU GAIN ABILITY EVEN IF YOU'RE NOT DOING THE ACTUAL THING. USED QUITE A BIT IN GOLF TO PRACTICE WHEN YOU CAN'T GET OUT TO THE COURSE, ETC

Old man: There's a little ogre there.

THIS IS THE SAME THING UNCLE POM SAID IN GHIBLI STUDIO'S MOVIE, LAPUTA, WHEN HE FIRST SAW PAZU.

p103

"In summer, the night..."

THIS IS SUPPOSEDLY THE BEGINNING OF A SOMEWHAT FAMOUS POEM
